Newsletter of the Cleveland Chapter of the Professional Land Surveyors of Ohio  
March 2002

## Letter from the President

I would like to thank everyone who attended the January meeting at Dimitri's Restaurant to welcome and support our new officers. I am honored to be President of the Cleveland Chapter of P.L.S.O. this year and will do my best to serve our Surveying Community.

Some of my goals this year are to assist Louise Veverka in preparing for the 2004 P.L.S.O. Conference to be held here in Cleveland as well as assist the other members of the Executive Committee.

This month we will be having our General Membership Dinner Meeting at the Flat Iron Cafe in the flats. Although there will be no guest speaker this month, we have a lot of business to discuss such as the location for the 2004 Conference and the status of the Data Bank which has just been moved to its new location at Garrett and Associates, Inc. on West 19th Street in Cleveland. I would also like to thank everyone who helped move the Data Bank to its new home.

I'm looking forward to seeing you at the meeting.

Sincerely,

Neil M. Juhnke

## **2004 Conference Committee**

The conference committee is getting in gear to make all the necessary plans for the 2004 P.L.S.O. Conference right here in Cleveland. The following people have volunteered for participation on the committee:

Chairperson	Louise A. Veverka	440-230-2565
Co-chairperson	George A. Hofmann	440-234-7350
Registration	Neil M. Junke	216-348-3857

We still need someone to chair the Hospitality and Meals Committees. Also the above mentioned people cannot do the job on their own, they will be in need of much help as the time gets closer. We will be calling upon everyone to donate some time to this endeavor.

Currently we are still looking at downtown hotels and are close to making the final decision as to the location of the conference. We are hoping to present a terrific conference with many interesting programs. I am asking anyone who may have ideas to call someone on the committee with your suggestions. Areas of immediate concern are program content, exhibitors or and a location for the Thursday dinner event.

I would like to thank the committee members in advance for all the hard work for which they have volunteered.

Louise A. Veverka

## **Professional Development**

The Data Bank was moved into it's new location at Dick Garrett's office at 2030 West 19th Street, Cleveland on Friday and Saturday February 1 & 2, 2002. Many thanks to the volunteers that helped that weekend. Special thanks to Bill Vondra and George Hofmann for spending many hours building the room during the weeks preceding the move. Special thanks to Dick Garrett for the materials and much of the manpower for construction as well as donating the space for our use.

We are looking for volunteers to help in organizing the Data Bank records and files. Anyone interested in helping please contact Rick Zeigman at 216-228-6077.

Cash contributions to the Chapter for help in defraying the cost of moving, construction and materials would be appreciated. Contact our Treasurer, Mark Yeager, for more information concerning contributions.
