TRADE IN & TRADE UP

NOW THROUGH JUNE 30, 2015

Exchange your out of date robotic motorized instrument (up to 10 years old) and get a complete scanning and surveying package including MS50, data collector, office software, pole, prism, and tripod.

\$55K (\$14,600 savings)

MS50 Features:

- The fastest, most accurate "hybrid" total station available, with robotic surveying/imaging/scanning capabilities.
- With a 1" robot that scans 1000 pts/sec, the MS50 is designed for high precision surveying, yet easy of use to meet your daily needs.
- Enjoy simple workflow and data management without special training. Points, linework, images, and 3d points clouds easily integrate into most major CAD packages.

Terms & Conditions:

- Any Topcon/Trimble/Leica/Spectra Brand Robotic/Motorized Instrument, less than 10 years old and in working condition, will be accepted under this program. Traded-in goods must be received within 30 days.
- Trade-ins are on a one-for-one basis and may not be combined with volume discounts.
- The Trade-in program is only applicable against the purchase of new equipment.
- Other conditions may apply.

Precision Laser & Instrument, Inc. acquires City Blueprint of Toledo and announces new store in Maumee, Ohio

MAUMEE, OH – Precision Laser & Instrument, Inc. is thrilled to announce the opening of a 7th store location to better serve its Northwest Ohio customers through the acquisition of City Blueprint of Toledo/Midwest Survey Supply. Located at 3637 Briarfield Boulevard, Maumee, OH 43537, it sits just outside of Toledo. As of Monday, May 13th, the store is open as the newest branch of Precision Laser & Instrument, Inc., offering the Sales, Service, Rentals, Training and Support that has made them a renowned and trusted partner for the Construction, Surveying and GIS/Mapping industries across Western Pennsylvania, Ohio and West Virginia for nearly 30 years.

"We're very excited to have a more direct means of supporting our clients in Northwest Ohio," said Rob Barth, Partner & Manager of the Geospatial Division with Precision Laser & Instrument, Inc. "We are also excited to have the CBOT team join the PLI team with over 125 years of industry knowledge and experience. I think the strong reputation City Blueprint of Toledo/Midwest Survey Supply already has in the area will translate well into our own commitment to excellence in providing the best possible solutions for our clients, start to finish."

City Blueprint of Toledo also supported the acquisition. "I'm confident that our clients will be in good hands and well taken care of with Precision Laser & Instrument," said City Blueprint of Toledo/Midwest Survey Supply owner, Jim Driftmeyer.

Precision Laser & Instrument, Inc. is bringing with it a support network of over 50 employees and 6 additional offices conveniently located near major cities in Pennsylvania, Ohio and West Virginia. They're an Authorized Distribution Partner, Preferred Service Provider and Certified Warranty Service Center for Trimble, Spectra Precision and Nikon, and are also partnered with a vast array of other industry-leading names as well.
